PDF Vegan Betrayal: Love, lies, and hunger in a plants ... Do you want to remove all your recent searches? All recent searches will be deleted. Vegan Betrayal by Mara J. Kahn - The Weston A. Price ... Vegan Betrayal takes us for an interesting and well-written stroll through the morass of eating philosophies, shattering myths along the way—the myth of the China Study, the myth that animals are not killed to produce plant foods, the myth that soy protein is more environmentally friendly than meat, the myth that veganism will make you into a skinny bitch irresistible to men. A big thumbs up for this important contribution to the debate on what to eat.
